

## **DG FIA Dr. Sanullah Abbasi chaired the International Training Partners Conference at FIA Academy**

*08.09.2021*

**Islamabad** – Director General FIA Mr. Sanullah Abbasi chaired the International Training Conference at FIA Academy which was attended by high ranking officials of FIA and by representatives of International organizations like ICMPD, UNODC, British High Commission, U. S Embassy, French Embassy, IOM and Australian Federal Police.

The representatives of International organizations highlighted the previous and on-going training initiatives in collaboration with FIA Academy. The representatives vowed to further strengthen and deepen the cooperation with FIA Academy.

While addressing the participants of the conference, the DG FIA appreciated the training initiatives of the International Training Partners and expressed future commitments for the Capacity Building of FIA. The DG FIA also advised the international training partners to identify their respective areas of Capacity Building to avoid overlapping and to utilize the resources in a diligent manner. It was also emphasized during the conference that a more focused and sustainable approach will be adopted in future to meet the future challenges.

The DG FIA pressed upon the international training partners to build the Capacity of FIA officers in areas of Cyber Crime, Money Laundering and Terror Financing.
