

2 Day Capacity Building Training for Executives

FIA Academy organized 2 day Training for the executives in order to enhance their investigative and leadership qualities. Director General FIA, Muhammad Tahir Rai Hilal-i-Shujaat emphasized to adopt 3C formula for resolving issues i.e Care, Commitment and Communication when he stressed to improve the capacity of dealing investigations for good name of the organization. He also added that the top management should try their best to provide quality services to the nation on merit without any influence and they should also take care of their subordinates as well. Director General was hopeful that after getting this training, all participants will be able to utilize their best abilities and strategies for timely service delivery to all parts of the society.
